POLYSIEGES

S I N C E 1 9 8 1

En 1981, POLYSIEGES fait ses premiers pas en se spécialisant dans la fabrication de sièges pour les véhicules dits de transports (bus, camions, automobiles) et devient très vite un acteur incontournable puisque l'enseigne s'installe comme le partenaire de référence de grands constructeurs automobile sur tout le territoire national.

Son savoir-faire en matière de sièges aux exigences techniques pousse Madame Awatef Maarouf, la créatrice, à élargir ses horizons et développe ainsi une première collection de salons pour les intérieurs des particuliers en 1990.

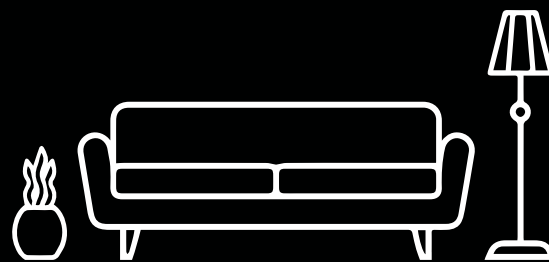

Et c'est à ce moment précis qu'est né la passion du meuble qui ne cessera de grandir en ayant pour seul crédo d'installer « un design à vivre » ou en d'autres termes mêlé le design à la qualité dans les intérieurs de vie.

Polysièges est une histoire familiale qui grandit et associe en son sein différentes expertises pour faire évoluer ses ambitions et c'est ainsi qu'est né le Studio d'architecture d'intérieur réservé aux professionnels. Nous pouvons proposer ainsi un accompagnement sur mesure auprès des hôteliers, professionnels de la restauration ou cabinet d'architecture dans leurs projets de décoration.

En 2003, le designer maison se lance le défi d'investir l'ensemble des espaces de vie et dessine différentes collections qui trouveront leur place dans les chambres à coucher, salon et salle à manger de ses clients. Polysièges s'inscrit, alors, comme un acteur à part entière dans l'édition de meuble design et contemporain.

Après quarante ans d'exercice et de création, le nouveau challenge de Polysièges est de réécrire une nouvelle signature architecturale de ses shows room avec le dernier né qui ouvrira ses portes en fin d'année 2020 à la Soukra (Tunis).

Le rêve se poursuit et de nouvelles ambitions s'ajouteront à notre offre pour devenir l'architecte du bien être chez soi auprès de notre clientèle.
