UN DESIGN À VIVRE...

POLYSIEGES

S I N C E 1 9 8 1

En 1981, POLYSIEGES commence son aventure en se consacrant à la fabrication de sièges pour les véhicules de transport (bus, camions, automobiles). Rapidement, l'entreprise s'affirme comme un partenaire incontournable pour de grands constructeurs automobiles à l'échelle nationale.

Son expertise technique dans la conception de sièges pousse Madame Awatef Maarouf, la fondatrice, à explorer de nouveaux horizons. En 1990, elle lance une première collection de salons destinés aux particuliers, marquant ainsi le début de sa passion pour le mobilier. Cette passion ne cessera de croître, guidée par le principe d'instaurer « un design à vivre », alliant esthétique et qualité dans les espaces de vie.

Polysièges est une aventure familiale qui regroupe diverses compétences pour faire évoluer ses ambitions. C'est dans cet esprit qu'est créé un studio d'architecture d'intérieur dédié aux professionnels, permettant d'offrir un accompagnement sur mesure aux hôteliers, restaurateurs et architectes dans leurs projets de décoration.

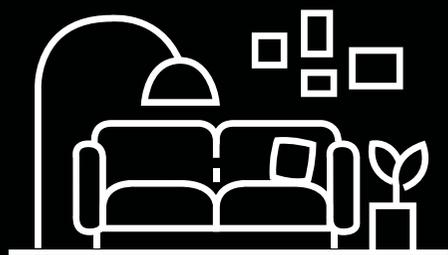

En 2003, le designer de la maison s'engage à investir tous les espaces de vie en concevant des collections adaptées aux chambres, salons et salles à manger. Polysièges s'affirme ainsi comme un acteur majeur dans le secteur du mobilier design et contemporain.

Après quarante ans d'activité et de création, Polysièges se lance un nouveau défi : réinventer l'identité architecturale de ses showrooms, avec l'ouverture d'un nouvel espace à La Soukra (Tunis) prévue pour la fin de l'année 2020.

Le rêve continue et de nouvelles ambitions viendront enrichir notre offre, faisant de nous l'architecte du bien-être à domicile pour notre clientèle.
